### COVID-19 PREVENTION GENERAL GUIDELINES WORKSHEET FOR IN-PERSON SUMMER 2022 PROGRAMS

#### Acknowledgment of Risks for participants in a University of Arizona sponsored day camp/program

While the University of Arizona (UArizona) is committed to the safety of everyone on campus, it is impossible for UArizona to eliminate the risk of exposure to COVID-19 while on campus or engaging in activities sponsored by the University. As such, there is an inherent risk of exposure to COVID-19 while engaging in group or congregate activities on campus or in connection with UA sponsored programs, just as there is whenever individuals engage in group or congregate activity. COVID-19 is an extremely contagious disease that can lead to severe illness and death.

By participating in the [Name of Program], I acknowledge and voluntarily assume all risks related to exposure to COVID-19 while participating in Program activities.
